

Virtual Digital & Classical Arts

Are you interested in learning digital arts or do you still like classical drawing? Either way we have some great classes for you to sharpen your skills! Taught by Mr. Jonathan, a professional in the digital arts world for film and graphic design!

Digital Art

Photoshop - Memes & Effects - Ages 10-17

Learn how to use Photoshop in a fun way, by creating memes! Explore the functionalities of Adobe Photoshop and many of the special tools that make it the industry standard for all graphic designers. Must have Adobe Photoshop installed before class.

Digital Drawing - Character Creation - Ages 10-17

Want to take your drawing skills to a digital platform? We will get you started in using a digital drawing tablet and the different functionalities that will add to your artist skill set! Students will learn how to use a digital tablet by drawing different characters. Must have a digital tablet.

Classical Art

Comic Character Drawing - Ages 9-14

Who doesn't like to draw! In this class we will be drawing different comic characters and students will learn how to effectively draw different expressions and will be taught different techniques to draw what's on their mind! All you need is paper and a pencil!
