# 2024 Summer Camps

## LAGUNA NIGUEL QUICK GUIDE

### ENGINEERING W/LEGO \$195

Engineering w/LEGO camps use standard and LEGO Technic pieces. Some also use motors, gears and remotes to bring their creation to life!

### ROBOTICS W/LEGO \$195

Bring LEGO creations to life by using computers or tablets to control your bots! Some camps also use block based coding and sensors.

### MAKERS LAB \$275

Love to make and create? These classes are full of fun hands-on builds that students get to take home. Come get your hands dirty in Makers Lab classes!

### REVERSE ENGINEERING \$275

Time to take things apart, modify it, and then put it all back together! This new class is great for the tinkerer that loves to take things apart!
